The Lance staff hereby dedicates the 1961 chronicles to Mr. Richard Beers and to Mr. Charles Lum who, in the spirit of knighthood, have contributed greatly to campus activities. Mr. Beers, in the field of speech arts, and Mr. Lum, in the field of applied and fine arts, have over the years given generously of time and special talents to bring many honors to Bullard High. We salute you.

It is fitting that the Lance staff has chosen KNIGHTHOOD as the theme to represent the only class that had the honor of being part of Bullard High for six years. As seventh graders, the Class of 1961 played its part in the inauguration of the new, raw campus. Fourteen classrooms, a library and a gym rose from the bare ground which formed a natural moat in winter and a dust barrier in spring. That land, today, boasts four new wings of classrooms, a pool, and a modern cafeteria, pictured here. With new additions to the offing, the Manor will continue to grow as other ranks of knights take the place of the Knights of 1961.

The Knights — Class of 1961

As future classes look back over Bullard's history, the class of '61 will stand out as a group in which class spirit and closeness were surpassed only by the friendship and loyalty felt toward the school as a whole.

Being the only class to spend six years at Bullard High the graduates of '61 have seen many traditions set such as the Mr. Touchdown Dance and Castle Capers.

Starting with a Swim Party in the Freshman year, the Class of 1961 has sponsored many events: a snow party to China Peak in 1959; a play, THE NIGHT OF JANUARY 16th; the 1960 Prom; cake sales; and "O To Tannenbaum," the 1960 Christmas Formal.

Did somebody say streech-en??

I wish.

Sorry, I didn't hear the question.

Who says there's no snow in Fresno????????????

Take it from an experienced yachtsman . . .

"We seem to have a slight problem, here."

"All right now, every one in his assigned seat."

"Aw, shucks, he's just a little feller."

The Squires — Class of 1962

Next year's seniors put much energetic effort into the project of filling their treasury to enable them to give the graduating class a memorable prom.

Among these activities were the very successful sale of pom-poms, a car wash, cake sale, and the sponsorship of the all-school play, ROOM FOR THE GROOM.

But it was not all work and no play for the juniors. They relaxed after a semester of work with an all-junior skating party.

Varsity Football

The 1960 Varsity Football Team was nicknamed "The Hundred Per Centers" by Coach Robin Rush. This was the gamest, fightingest, unluckiest team in Bullard's history. It played nine "real fine" team effort games. At season's end, the record stood at 4 wins and 5 losses, and the team finished fourth in the North Yosemite League. The heartbreaker of the season was Bullard's homecoming game with McLane High School. The Highlanders squeaked by the Knights, 13-12.

The Varsity team placed fifth in the Football Carnival, with a net score of twelve points.

Ron Oliver, Dave Sinton, Don Rathbone, Eddie King, and Mark Verble were chosen from Bullard to the Fresno All-City Football Team. Marshall Newman was the student trainer. Returning "letterman" Dr. Harold Coulston was again the team physician.

John Pace, buried beneath a mass of gridders, scores the go-ahead touchdown against Fresno High in the Knight's 19-6 victory.

The Varsity tensely awaits the next play.

A Knight is blocked at the twenty yard line.

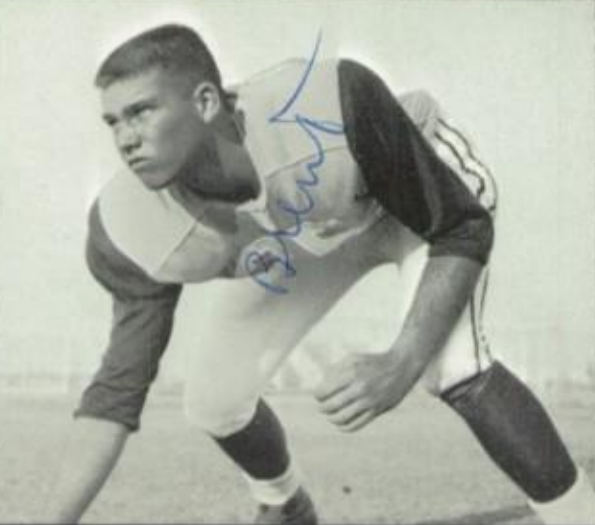

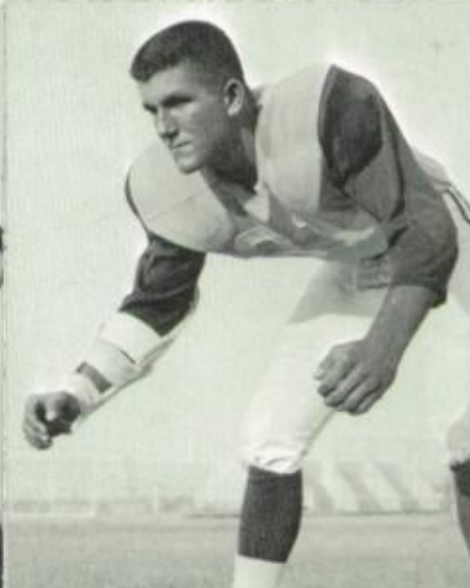

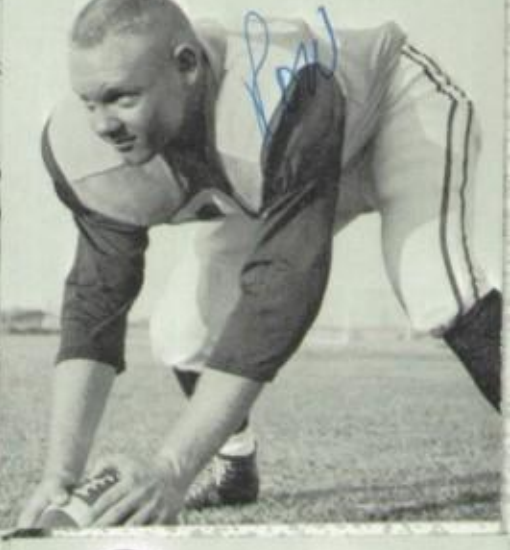

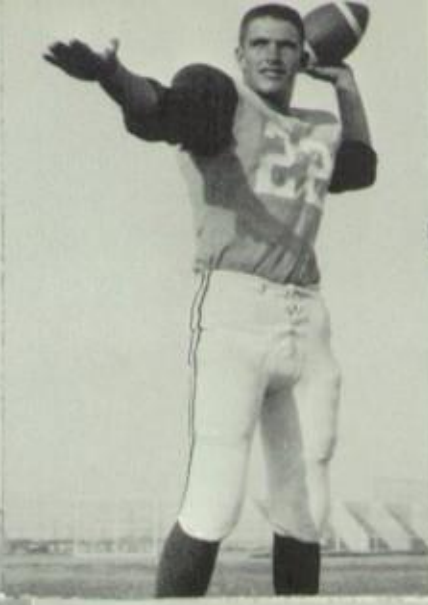

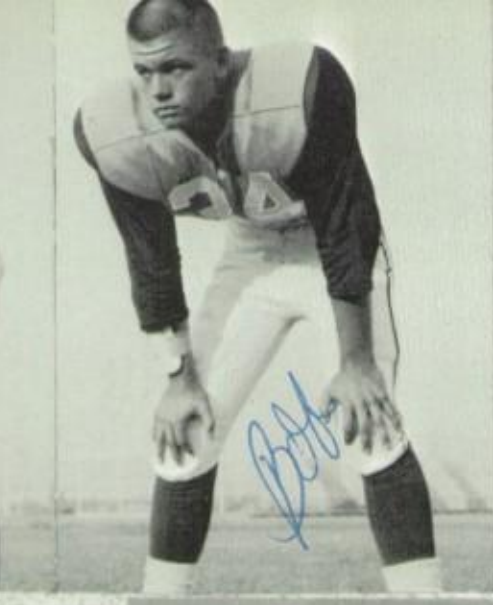

The opposition stubbornly holds onto the ball as two Bullard Knights try to retrieve it.

This past year but especially this last summer has been a great privilege for me, knowing a great guy like you. I have learned how to handle responsibilities through you. I have also learned how to give a ship by watching you. I hope that I will be able to remember these things in the years to come. Have one heck of a good summer. I sure did have a good time in Ark Dr. with you this year. Good luck in R.F. with Kathy. See sometime again maybe.
